

LUA Learning Pathways³

LUA Learning Pathways³ takes personalized learning to a whole new level. Now, families and students can choose the learning path that best suits their strengths and needs. All learners will receive personalized attention. All learning pathways uphold the positive culture that Level Up Academy is known for! All learners and families are a part of one community! Which path will you choose?

"Choose Your Path"	LUA Live	LUA Fusion	LUA Virtual
Program Description	LUA Live is our classic on-site, in-person learning platform. All K-8 students may choose this pathway.	LUA Fusion is a middle school (6-8) hybrid program. Students learn virtually 3 days a week and in-person 2 days a week. Virtual days consist of synchronous & asynchronous academics learning sessions. In-person days focus on social & emotional learning with internships, community-building activities, habits of success, and projects with peer collaboration. There is a 3rd day in-person option for those who desire one full day per week of in-person academic support with their teacher.	LUA Virtual is our online learning platform. All K-8 students may choose this pathway. Virtual pathways include teacher-led synchronous & asynchronous academic and social sessions. Additionally, all students have the option to schedule weekly 1:1 in-person academic tutoring with their teacher. Students in LUA Virtual are welcome to join all LUA in-person social events, field trips, family nights, and all-school celebrations.
